ECOSHOW

Products have never looked so good

ECOSHOW

- Efficiency meets stunning display, with the new EcoShow. With an 80% energy saving on previous models and our new revolutionary uplighting, your products have never looked so good.

- Designed using cutting edge CFD modelling technology for genuine temperature retention, you can be confident that food will stay fresher for longer.

Frameless glass doors **save you 80% on energy** compared to doorless models

Our **extraordinary uplighting** uses LED lighting (patent pending) with new anti-glare feature

Swivel braked castors as standard for easy movement

Energy grade: B

Maximum visibility through the side panels for **enhanced visibility** of content

The EcoShow range can store **between 306 and 884 cans** – and that's without double stacking!

All models fitted as standard with our award winning **+STAYCLEAR** low maintenance condenser.

Interest-free credit available over 24 months **ZERO%** (UK only)
