

Switch from fridge to freezer at the touch of a button for ultimate flexibility.

FlexDrawer

FlexDrawer

Innovative and flexible solutions from Foster

- An innovative extension to our counter range, the Foster FlexDrawer offers flexible counter storage solutions for even the most demanding of professional kitchens.

Incredibly flexible – our standard models' clever drawer design holds up to 3x GN 1/1 pans wide, meaning ALL space is usable.

Designed to **accommodate hot cooking equipment** such as broilers, griddles and induction hobs.

Can change temperature from fridge to freezer at the touch of a button.

Massive strength – drawer runners can hold up to 200kg meaning unrivalled quality is assured.

And so easy to clean!
Fully removable robust ABS drawer bins.

Space saving – 775mm width models available.

Interest-free credit available over 24 months **ZERO%** (UK only)
