

Product Code: FMSLIM1200RF 18-106

1200mm Slimline multideck with rollershutter

Features & Benefits

- Optimum storage and display from the smallest possible footprint
- Add 20mm to depth for spacer if product is to be wall-sited (required for air circulation - detachable if not wall-sited)
- 1x top mounted full length LED. On average these last 10x longer than fluorescent lighting and emit a fraction of the heat output
- Robust lockable security roller shutter with full solid end panels.
- Fully removable shelves and supports for ease of cleaning.
- Made of high quality food safe superior 'brushed' stainless steel finish for easy wipe-clean efficiency
- Removable front cover and slide out condensing unit allows easy access for service, minimising down time. Also our After Sales Support is there when you need us: 2 years parts and labour warranty as standard.
- Intelligent controller with easy to read digital display ensures even temperature regulation throughout

Refrigeration

R134a - Industry Standard	Standard
