

Product Code: FMSLIM1800NG 18-109

1800mm Slimline multideck with nightblind and glass end panels

Features & Benefits

- Optimum storage and display from the smallest possible footprint
- Energy saving LED lighting is brighter, lasts longer and saves you money
- Additional shelf depth (400mm) delivers increased volume compared to competitor slimline cabinets
- Extra wide glass end panels increase display visibility
- Add 60mm to depth for spacer if product is to be wall-sited (required for air circulation - detachable if not wall sited)
- 2x vertical side mounted full length LED lights. On average these last 10x longer than fluorescent lighting and emit a fraction of the heat output.
- Energy saving retracting 'Soft Closing Mechanism' Nightblind.
- Fully removable shelves and supports for ease of cleaning.
- Made of high quality food safe superior 'brushed' stainless steel finish for easy wipe-clean efficiency.
- Removable front cover and slide out condensing unit allows easy access for service, minimising down time. Also our After Sales Support is there when you need us: 2 years parts and labour warranty as standard.
