The Refrigeration Experts

Product specification

MBCT100W: 100kg Modular Blast Chiller

17-139

Floorless modular blast chiller with 900mm door width

Features and benefits

- 100kg chilling capacity 70°C to 3°C in less than 90 minutes within specifications. Entry temperature of up to 90°C for chilling
- Supplied less condensing unit for remote application. Separate electrical supply required for condensing unit (3 phase+neutral)
- Doors to the front and rear of the unit allow for loading and unloading from both sides
- Foster Circulair air circulation system ensures uniform chilling whilst protecting the food surface
- Robust modular construction
- Intuitive easy touch control panel - Just press and go with easy to use colour coding to indicate cycle status
- Operator-friendly fans cut-out whenever the blast chiller door is opened
- Supplied with 900mm wide door for easier loading and unloading
