Why choose this product

- The fan assisted, forced air system delivers even temperature holding to both the counter base and top pan storage section
- The clever inner catch tray stops food from falling into the main storage area, quickening clean down times
- Hinged cover helps to maintain storage temperature and protect stored ingredients
- High quality 304 grade stainless steel finish is food safe and hard wearing
- Fitted with removable worktop
- This Prep Station has been designed with the operator in mind, with all pans and work bench height within comfortable reach
- Rear mounted refrigeration system maximises storage space and is easily accessible for servicing
